

Parent and Teacher Guide

International Math Bee® powered by BatterUp®

Parent/Teacher Portal: <https://portal.internationalmathbee.org>

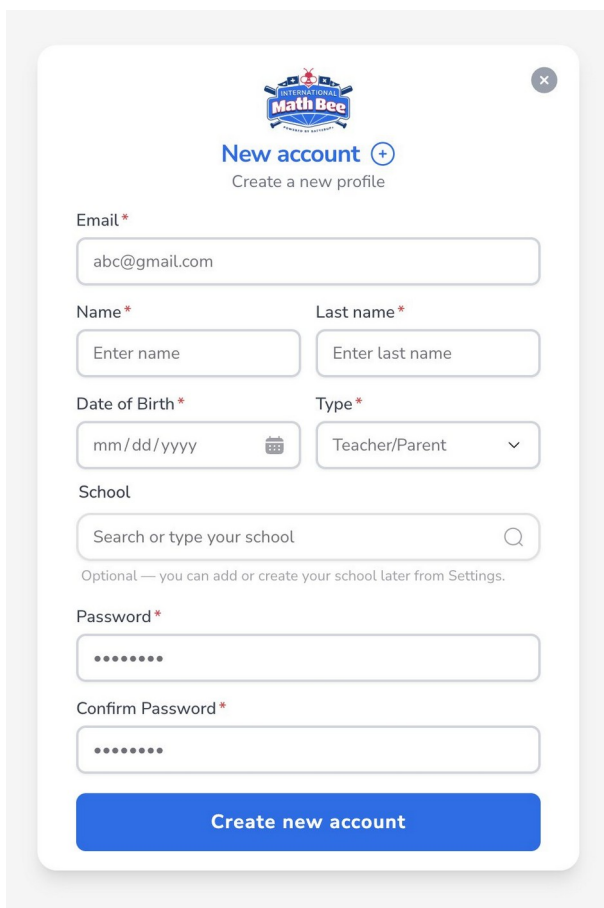

This guide shows you how to create your account, add your students, buy seats and get your students playing BatterUp®. It takes about 10 minutes.

Students play at <https://game.internationalmathbee.org> on a phone, tablet or computer.

Step 1. Create your account

Go to <https://portal.internationalmathbee.org> and click Sign up.

Enter your email, first name, last name and date of birth, choose Teacher/Parent, create your password and click Create new account.

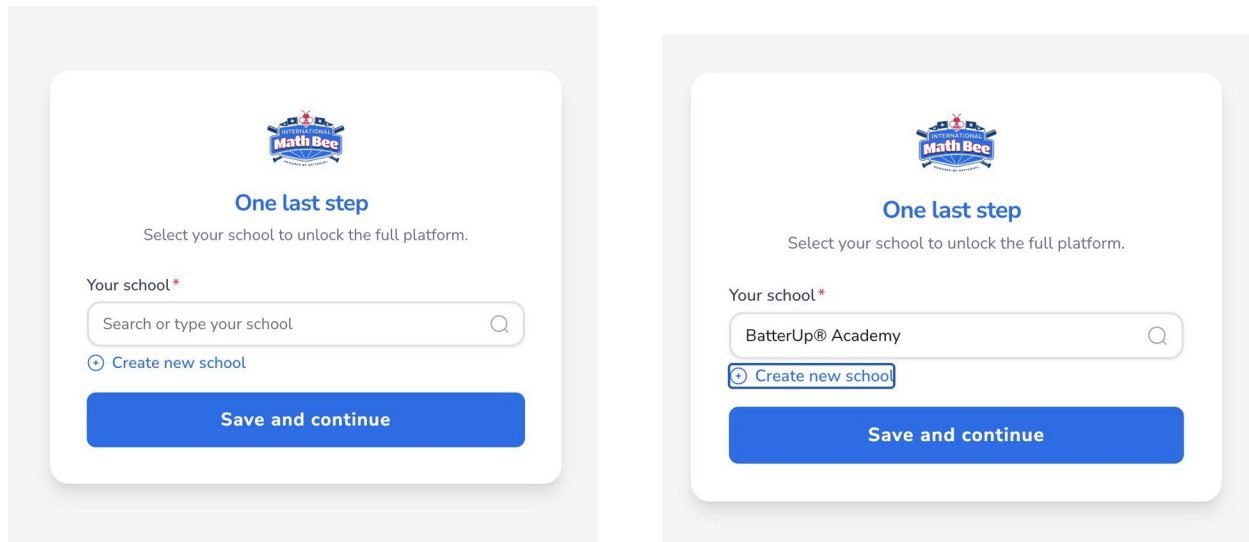

The screenshot shows a 'New account' registration form for the International Math Bee. The form is titled 'New account' with a plus icon and the subtitle 'Create a new profile'. It includes a close button (X) in the top right corner. The form fields are as follows:

- Email ***: A text input field containing 'abc@gmail.com'.
- Name ***: A text input field with the placeholder 'Enter name'.
- Last name ***: A text input field with the placeholder 'Enter last name'.
- Date of Birth ***: A date picker field showing 'mm/dd/yyyy' and a calendar icon.
- Type ***: A dropdown menu with 'Teacher/Parent' selected and a downward arrow.
- School**: A search input field with the placeholder 'Search or type your school' and a magnifying glass icon. Below this field is a note: 'Optional — you can add or create your school later from Settings.'
- Password ***: A password input field with a masked password '.....'.
- Confirm Password ***: A confirm password input field with a masked password '.....'.

At the bottom of the form is a blue button labeled 'Create new account'.

Step 2. Add your school

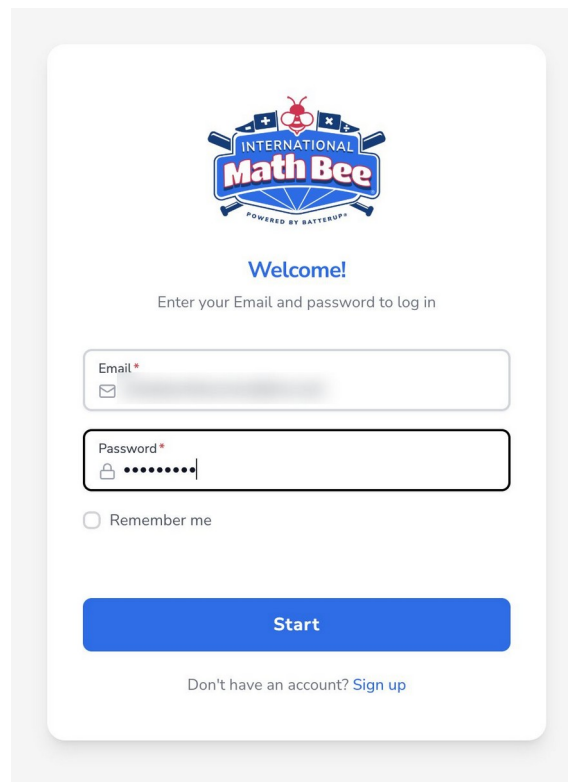

Search for your school. If it is not on the list, click Create new school. Then click Save and continue. Homeschool families can add their homeschool as their school.

The image shows two side-by-side screenshots of the 'One last step' school selection interface. Both screens feature the Math Bee logo at the top, followed by the heading 'One last step' and the instruction 'Select your school to unlock the full platform.' Below this is a search bar labeled 'Your school *' with the placeholder text 'Search or type your school'. A link with a plus icon and the text 'Create new school' is positioned below the search bar. At the bottom of each screen is a large blue button labeled 'Save and continue'. The right-hand screenshot shows the search bar containing the text 'BatterUp® Academy' and the 'Create new school' link being highlighted with a blue border.

Step 3. Sign in

Go to <https://portal.internationalmathbee.org>, enter your email and password and click Start.

The image is a screenshot of the 'Welcome!' login interface. At the top is the 'INTERNATIONAL Math Bee' logo, which includes a bee character and the text 'POWERED BY BATTERUP®'. Below the logo is the heading 'Welcome!' and the instruction 'Enter your Email and password to log in'. There are two input fields: 'Email *' with an envelope icon and 'Password *' with a lock icon. Below the password field is a checkbox labeled 'Remember me'. At the bottom is a large blue button labeled 'Start'. Below the button is a link that says 'Don't have an account? Sign up'.

Step 4. Your Parent/Teacher Portal

The menu on the left has Students, Scoreboard, Subscriptions and Settings. You can also change the language and jump to BatterUp® from here.

No students found									

Step 5. Add your students

Open Students and click Create new. Enter the student's first name, last name, username and class grade, then click Create new student.

- The school and state are filled in from your account.
- Email and gender are optional. Student details stay private in your portal and are not shown publicly in the game.
- For privacy, choose a username that does not include the child's real name.
- Have a whole class? Use Upload CSV to add many students at once.

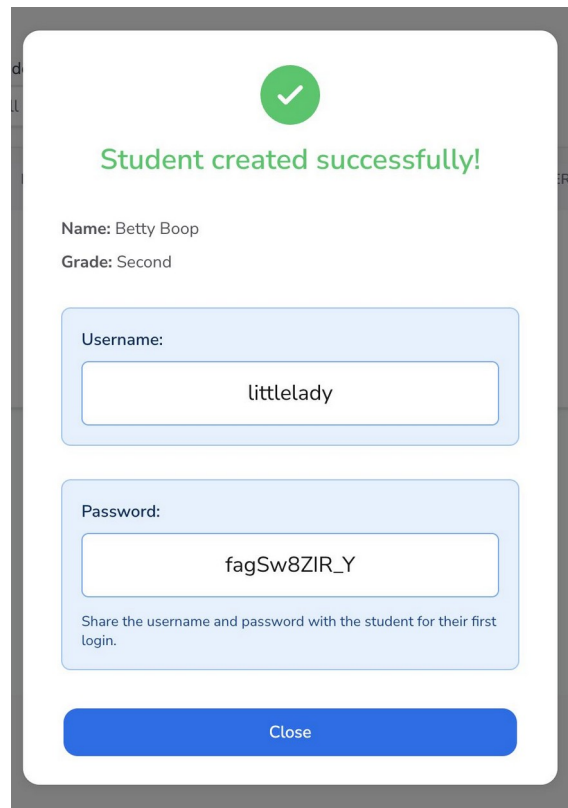

The screenshot shows a 'New student' form with the following fields and options:

- Name ***: Input field with placeholder 'Enter name'.
- Last name ***: Input field with placeholder 'Enter last name'.
- Username ⓘ ***: Input field with placeholder 'Enter username'.
- Phone No.**: Input field with a country code dropdown (showing '+1') and a number input (showing '(555) 123-456').
- Email**: Input field with placeholder 'Enter email'.
- School**: Input field with 'BatterUp® Academy' and a lock icon. Below it, text reads 'Inherited from the parent/teacher'.
- State**: Dropdown menu with 'Pennsylvania' selected. Below it, text reads 'Inherited from the school'.
- Class grade ***: Dropdown menu with 'Select' and a downward arrow.
- Gender**: Dropdown menu with 'Select' and a downward arrow.
- Date of Birth ***: Input field with a date picker icon and placeholder 'mm/dd/yyyy'.
- Create new student**: A blue button at the bottom.

Save the student's username and password

Write down or copy the username and password shown on the screen and share them with the student. Students keep this password. If a student forgets it, you can reset it any time in the Parent/Teacher Portal: open Students and click the pencil icon next to the student.

A modal window with a white background and rounded corners, set against a dark gray background. At the top center is a green circle with a white checkmark. Below it, the text "Student created successfully!" is displayed in green. Underneath, the student's details are listed: "Name: Betty Boop" and "Grade: Second" in a standard black font. The modal contains two light blue rounded rectangular sections. The first section is labeled "Username:" and contains a white text box with the text "littletady". The second section is labeled "Password:" and contains a white text box with the text "fagSw8ZIR_Y". Below the password box, a small line of text reads: "Share the username and password with the student for their first login." At the bottom center of the modal is a blue rounded rectangular button with the text "Close" in white.

Student created successfully!

Name: Betty Boop
Grade: Second

Username:
littletady

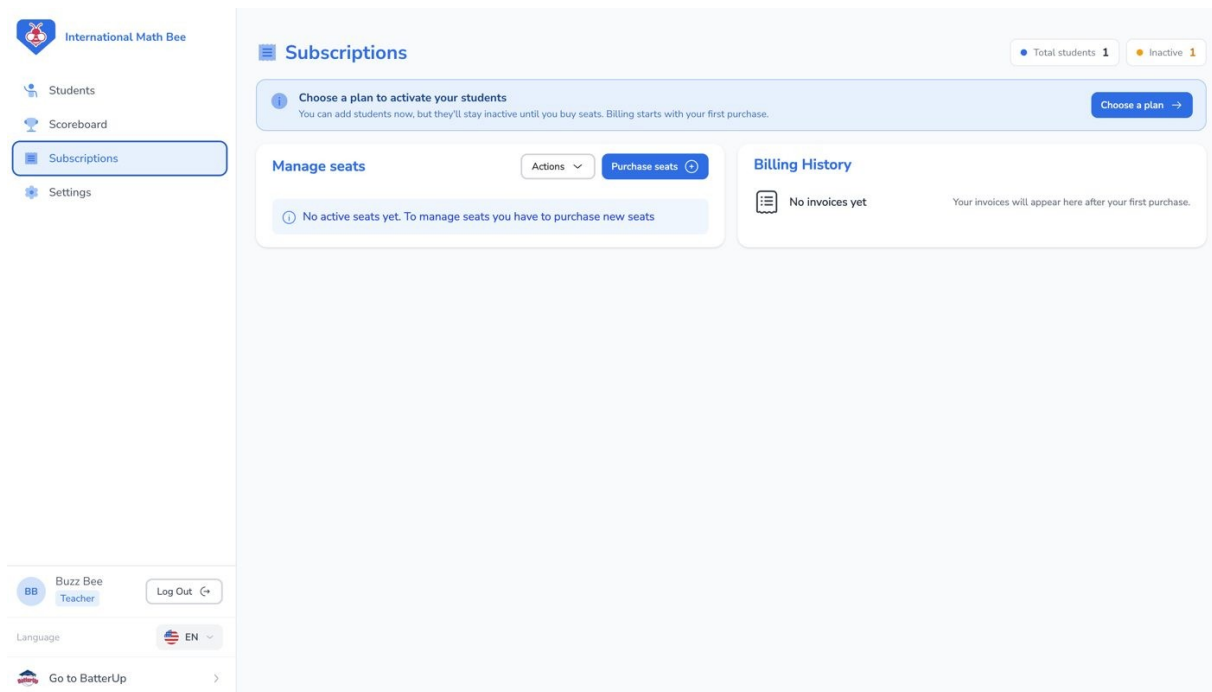

Password:
fagSw8ZIR_Y

Share the username and password with the student for their first login.

Close

Step 6. Buy seats

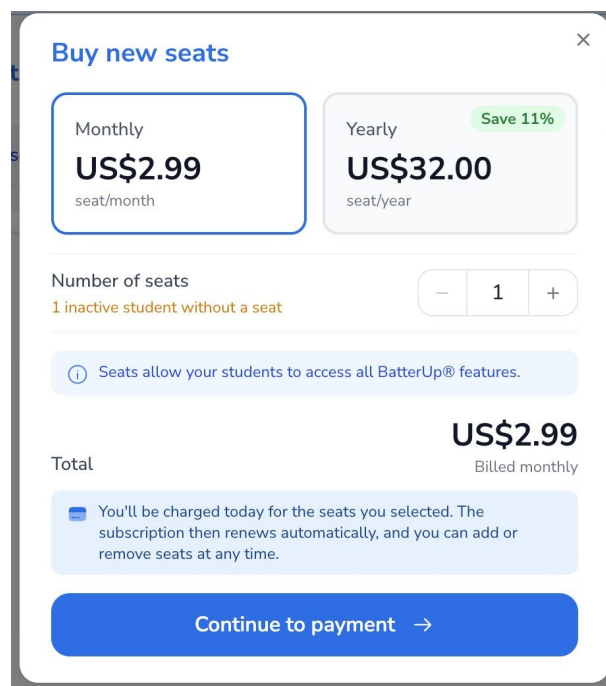

Each student needs one seat to play. Open Subscriptions and click Choose a plan or Purchase seats. Students you add stay inactive until they have a seat.

Choose your plan and number of seats

Pick Monthly (US\$2.99 per seat) or Yearly (US\$32.00 per seat, save 11%). Choose how many seats you need and click Continue to payment.

- There is no free trial. You are charged when you buy seats.
- Plans renew automatically until you cancel them in the portal.

Pay securely with Stripe

Pay by card, Apple Pay or Link and click Subscribe. Prices are in US dollars; depending on your location, Stripe may show and charge your local currency at the current exchange rate.

By subscribing, you authorise CompuSage LLC to charge you in EUR at the displayed exchange rate or the exchange rate at the time of billing, according to the terms until you cancel.

Your subscription dashboard

After paying, Subscriptions shows your seats, plan, next renewal date and Billing History with a downloadable invoice for each payment. You can switch to annual billing or cancel here. When you cancel, seats stay active until the end of the billing period.

Step 7. Assign a seat to each student

Open Students and click the seat icon next to the student. Click Assign a free seat, or Buy & assign if you need another one.

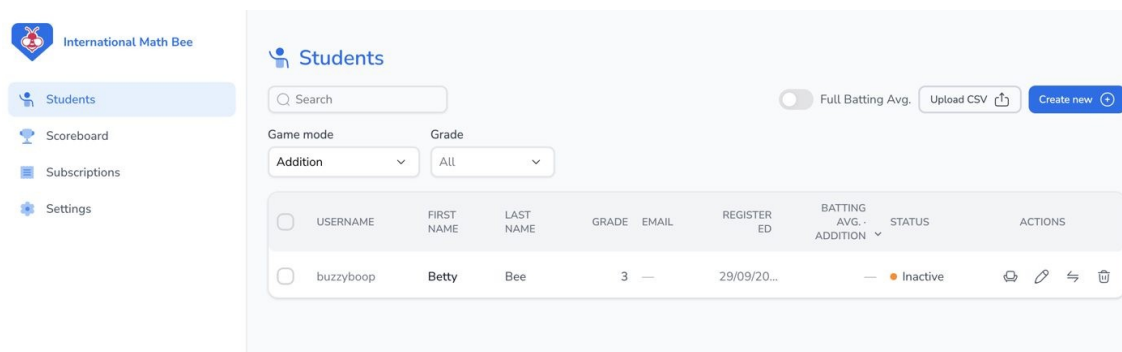

The student is now Active

The status changes from Inactive to Active. The student can log in at <https://game.internationalmathbee.org> and start playing. One seat covers one student at a time, and you can move a seat to another student whenever you need to.

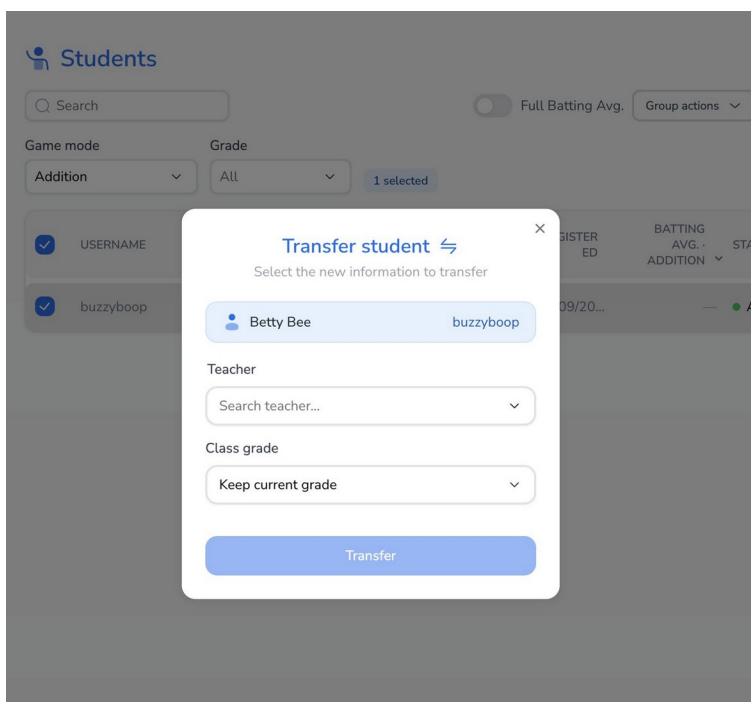

Managing your students

- Filter by game mode and grade.
- Switch on Full Batting Avg. to see the full 20 decimal batting average and break ties.
- Use the icons on each row to assign a seat, edit the student or change the password, transfer the student, or delete them.
- A student appears on the scoreboard after completing a full 9 inning game in that math mode.

Transferring a student

When a student changes school, select them and choose Transfer. Pick the new Parent/Teacher (they need an account), choose to keep or change the grade, and click Transfer. The new Parent/Teacher accepts, and the student keeps their account and batting average.
